Jude Robinson

Oil Painting for Beginners

Sat. 21st - Sun. 22nd May 2011

Jude Robinson was born in Bolton, UK, and spent most of her life in the Lancashire area. She had always loved being creative from a very young age, her mother kept the detailed artistic drawings she did from when she was just 4 years old. As a teenager, Jude was intent on furthering her art career but unfortunately life took her on a different path. When her working life abruptly ended due to a spinal injury, she moved to

the beautiful countryside on the Shropshire/Powys border in the UK with her husband and young children. Due to her disability, Jude found that painting and drawing became very therapeutic. She undertook a course at Shrewsbury College of Arts and Technology in oil painting and now her passion for all things art has been reborn.

Jude particularly loves capturing landscapes, seascapes and skies which are inspired by the countryside surrounding her.

She has now become a successful artist selling many of her paintings and completing several commissions for clients across the UK. She will be exhibiting her work in Shropshire in 2011.

Jude lives with her very supportive husband Gary, her three lovely children, one cat, (Scaredy) one chicken (Bluebell) and one resident pheasant (Phil).
